

**HEALTH CLEARANCE FORM**

(to accompany Special Education Master's level student teaching application)

All student teachers are required to have a TB shot before they can be placed for student teaching a public/private school classroom. The TB shot is valid for one year. TB shot clearance takes three days for results.

This is to certify that \_\_\_\_\_(student)  
Has received the tuberculin screening test and has been found to be free of active TB as  
of \_\_\_\_\_ (date).

Authorized Signature \_\_\_\_\_ Date \_\_\_\_\_

Take this form with you to the Student Health Center or your own private doctor when you are returning to have the TB shot read (the second appointment).
