Liberal Arts Council

Proposed Revisions to Liberal Arts Core With Proposed Amendments

Reasons for Revisions:

The goal is to streamline requirements in order to improve student retention and graduation rates and improve the Liberal Arts Core experience for all students. In addition, the Colorado Department of Higher Education (CDHE) has modified its policy surrounding the Colorado Guaranteed Transfer Pathways (gtP) General Education Core. UNC can no longer require transfer students to complete different core requirements than those specified in the gtP Core. This proposal

Exceptions to the Requirements of the Liberal Arts Curriculum

Students interested in challenging a Liberal Arts Curriculum course should contact the appropriate program to determine the availability of a challenge examination.

Guaranteed Transferability

Courses bearing the gTP designation have been approved by the Colorado Commission on Higher Education (CCH) for inclusion in the Colorado Guaranteed Transfer Program. These courses will automatically transfer to any Colorado public institution and continue to count toward general education or other graduation requirements for any liberal arts or science associate or bachelor's degree program, if students receive a grade of "C-" or better. Statewide articulation agreements

for these courses will be made available on the website <http://www.cche.edu/transfer>. The Statewide articulation agreements is located on this link: [Statewide Articulation Agreements](#).
