Unfinished Business

•

- o The committee reviewed Codification's recent edits. Couch was able to attend the Codification meeting and is supportive of the recommendations.
- o For further clarification about the context of the Current Practice, the sentence was amended as follows: "Roughly 5-8 seats across the entire curriculum are acquired each semester from Main Campus by EC."
- o Without objection, the committee accepts Codification's recommended edits and approves the policy as amended.
- o We will bring it forward to the next Senate meeting.
