Chair's Report (Levin)

x Following the conversations in APC and Faculty Senate on 2/15, Levin and Academic Affairs worked together to extend the individual course withdrawal deadline to match the complete schedule withdrawal deadline, 4/16.

o Toewe – Advising Soar staff plan to bring in a S/U proposal for Spring 2021 to the next APC meeting.

Senate Committee Reports

Academic Policies (Toewe) – APC approved catalog language updates for withdrawal dates and mutually exclusive courses, these items are going to Codification. We are still looking at the potential of establishing a permanent S/U grading option.

Codification (Schuttler) – We have nothing to bring forward to Senate.

Elections (Murza) – Faculty voting lists have been finalized. Notice has been sent to Senators whose terms are ending.

Faculty Welfare (Luger) – We have two items likely to come to Senate this semester, term conversion and a clarification on the time guidelines for promotion from instructor to assistant professor. We'll begin discussions about triennial review for tenured full professors.

Salary Equity (Greene) – Parks, Brandon, and two NCHEMS representatives joined our meeting today to discuss the selection of institutions for a peer group. We'll likely have something to bring forward after our next meeting. We are planning to use the peer group for compensation identity plans this year.

Standing Reports

Board of Trustees (Fischer) – No Report
President (Feinstein) – No Report
Provost (Anderson) – The new FA Dean will be announced in the coming weeks. Interviews and open forums for the NHS Dean search finalists will be happening in the next couple weeks.
