Approved without objetion.

Announcements

Chair's report (Vaughan) - No Report.

# Report from Councils:

Graduate Coundi (Brewer) – We met lasthTursday and discussed work carried over from last Spring: status of graduatefaculty, formatof dissertatio/thesis committee,setc.

Student SenateBenavidez)- No Report.

## **Unfinished Business**

## **New Business**

- x Permanent S/U Grading Policy
  - o The committee discussed the spect of creating a permanent S/U grading policy and reviewed policyconsideration examples from the rinstitutions that Couch submitted to

xsuitable policy for the UG level may not be applicable at the GR level and vice versa

fS/U letter gradæquivalency

xwhat will be the minimum letter gradequivalent forearning 'S"

x"S+" was utilized in UNCs emergency S/U grading optionsignify grades of "C-" or higher for the purposes of transfeithin Colorados gtPathways.

fRationale for implementing S/U grading

xexploration in areas outside afstudents program of study xas an option to relieve usdent stress/mental health issues

o Potential implications depending on policy parameters:

flf a student takes a course as S/U to explore an anstact the changes the imajor to that area of student the course would not satisfy major requirements if major/minor courses are ineligible for S/U

fThe level of faculty feedbackstandard of gradingnay vary depending on whether a student is taking a cours or a letter grader &/U.

xThe timing of the deadline for S/U selecticatrop dealline early in the termor withdrawal deadline late in the term) will impact faculty grading

fSetting an early semest deadline aligns more with the exploration rationale, while setting a later seesterdeadline aligns more with a relief rationale.

fSome major at UNC (including teacher licensure programs) have higher requirements than 2.0; S/U selection would b2 0.0mTc -0.002ion woul62 (oul62 (0.0mT
