o The committee eviewedthe latest draft of the compensation investment planationale,

which includes national and local data that illustrately salary investment is needed.

CUSSION:

o Add data for retention/turnoveif possible.

fParks can provide data; the committee will need to figure how to incorporate it

o IncludeAAUP dataif available and applicable

fPerhaps include a couple disciplines as representative examples

o The ationale is heavy on faculty data ore information is needed for staffperhaps an additional paragraph.

o The localFactorsparagraphhighlightsthe problem of increasing cost of living/housing prices in northern Coloradowhile salaries remain low.

fThis paragraph uses bothverageand median references

fPerhaps add salary data from other Colorado institutions lude reference about lack of competitiveness with community college starts at lack of competitiveness with community college starts at lack of competitiveness.

- o Includereference abouthe impactof havinglower salaries acrostse lifetime.
- o Framethe rationale as a market competitiveness issue; the BOT may understand the market aspect better than if framed from an equity perspective.

o In sending message that we need increased salaries to be competitive, there is concern about an
