GT Pathways & LAC Learning Outcomletermediate Writing

Note that competencies are general statements of knowledge, skills, and behaviors while outcomes are specific statements about skills students can demonstrate in a measurable way. The content criteria represent the makeup of the course itself (i. what the course must include in terms of content).

The left column summarizes information about the category and its requirements. This data is for reference purposes and is not included on the syllabus.

The right column contains the competencies, outcomes, and content criteria that are required syllabus.

Intermediate Writing

nd

| b | Critique one's own and other's work. |
