1 vertebrae were sheared, because of the force. And she ended
2 up develing (sic) what are, developing what are called
3 annular tears in the discs in her back from the force. and

1 MS. SAPP: Yeah, my car just, I didn't even
2 know if I hit the car (unclear - two words).

3 (End of audio recording.)

4 MS. ZOIS: Could you hear that? Okay. After pleading
5 guilty in court she also answered a set of interrogatories
6 initially back in June of 2012. And we asked her in that set
7 of interrogatories . . . are you claiming that the Plaintiff
8 did anything wrong in this case? Are you claiming that
