Registrar - Initial Review

Initial Submissions go directly to the RO Curriculum Team for technical review (identify gaps in documentation, resolve potential discrepancies or questions, identify impacted departments and make updates for catalog standards).

IF APPLICABLE
Impacted Unit

Proposal is routed to one or more academic units to provide an impact statement. Submitters/RO staff select "Yes" under External Impact **and** choose one or more units from the list.

Unit Leader - Unit Review

Checks accuracy of submission (edits as needed); Verifies disciplinary appropriatness and resource availability.

College Curriculum Committee

Checks accuracy of submission; provides feedback regarding consistency with college obq (o)a4g)ii
